# Colour Book

Every year, we put out a new fabric collection. and it's always exciting to see how the new range works with our existing Skinny laMinx prints and colours.

In styling and photographing this Colour Book, we've enjoyed exploring some of the new ideas & possibilities opened up by our brand new range, DIGGI DOT.....

# DIGGI DOT

..... While preparing for a teaching trip to Jaipur, I did a lot of block printing, and fell in love with how the simplest blocks could generate endless variations of pattern.

I've used basic elements - a line, a half circle and a dot in combination with the sweet, soft colours of Hotel Diggi Palace & the city of Jaipur, to create the Diggi Dot collection.
