

How Pattern Works

Tile Card Download

Card 1
Scallop

by Heather Moore of
Skinny laMinx

Printable download 1

Scallop tile

In this download you will find

- Two versions of the Scallop tile card available in 3 different printing options, for full-colour or single colour printers, or for creating a colouring page.

Printing instructions:

- Select which pages you need to print
- Set your printer to A4 Landscape format
- Print onto heavy card.
- If you don't have card, stick your printed sheet to a cereal box before cutting the tiles out.
- Cut each tile neatly along dotted lines

Colouring page

Print 2 sets of tiles

- Sheet 1: Fill each motif with colour
- Sheet 2: Fill the background with colour

Just as a pattern is made from repeated motifs,
so we build our lives from the way we spend
the passing days.

Come on, let's take care with what we say,
what we make & how we live - every single
day - making our life into a beautiful pattern.

Let's start today.
